

DRIVER EDUCATION: SUMMER 2018

Registration Forms Available 5/16/18

Registration for DDHS Students 5/30/18, for Non DDHS Students 5/31/18 (if session is not full)

The **minimum requirements** to pass Driver Education for **DDSD credit** and earn an **ODOT Certificate of Completion** are:

- 1) **33-36 hours of classroom instruction at 80% proficiency.** (*Be punctual and ready and willing to learn, bring a pencil, textbook and other course materials are provided*)
- 2) **12-hours of Behind-the-Wheel Driving and Observation.** (*This will take place on weekdays, and/or weekends. A driving schedule will be worked out individually with each student. Students will be assigned in pairs, and are scheduled for 4 to 6 meetings to meet the twelve-hour requirement. Failure to meet a driving appointment without making prior arrangements is grounds for being dropped from the course. If there is a problem, talk with the teacher*)
- 3) **Five hours of practice driving supervised and documented by a parent or guardian--forms are provided.**
***AN IMPORTANT MESSAGE TO PARENTS:** *Your student will be learning many essential skills necessary to become a safe and defensive driver. Practice of these skills is critical to student success. Practice driving should begin immediately, and continue during and after the Driver Education course. At home practice is required*
- 4) **A final drive test with a score of 80% or better.** (*The final drive test will take place after our last classroom session and is part of our last drive*).

ATTENDANCE AT THE FIRST CLASS MEETING/PARENT MEETING IS MANDATORY FOR STUDENTS & PARENTS.

NO EXCEPTIONS! The meeting is attended by the parent, legal guardian, or supervising adult and the student. The meeting covers policies, procedures, curriculum, course goals, requirements, traffic safety information, Oregon's Graduated License and gives the opportunity for any questions regarding the program to be covered.

If you can't attend the first meeting, please sign up for the next session when your priorities will allow the time needed for this course.
