Greetings,

Let me be the first to officially welcome you to our in-person hybrid learning model! We are looking forward to having you back in school beginning April 19<sup>th</sup>. The purpose of this letter is to provide you with information about what to expect when you get here. This is the first of several communications you will receive. During the week of April 5-9 our awesome student leadership team will be sending out a video addressing the details of in-person learning. Also, on April 7<sup>th</sup> we will be hosting an online Question and Answer session from 6 to 7pm to answer any questions you or your parents may have.

The first thing I would like to share with you is what our Hybrid schedule looks like. Basically it is the same schedule you have had all year, four periods per day from 8:30 am-12:20 pm. The difference is you will be physically attending school two days per week, while continuing Comprehensive Distance Learning (online school) the other two days. Friday will remain the same. So what two days will you attend? We will be dividing you into two groups or cohorts, A-cohort and B-cohort. A-cohort will be attending school on Monday and Wednesday while B-cohort will attend Tuesday and Thursday. You will be in A-cohort if your home address ends in an odd number (1,3,5,7,9), B-cohort if your home address ends in an even number (0,2,4,6,8).

A few other things you should know:

1. **How do you know what rooms your classes are in?** Your Student View account shows accurate classroom numbers.
2. **How do I find my classrooms?** In this packet you will find a map of the North and South buildings. These maps not only show classroom numbers, but also illustrate that we will be using one-way hallways. It might be best if you locate your classrooms ahead of time and plot how you will travel to them. Just know there will be plenty of people in the halls to help you find your classrooms when you get here.
3. **What should/shouldn't I bring?** Please be sure to wear a mask! They will be required at all times. Also, bring your assigned school Chromebook fully charged each day. **DO NOT** bring your own laptop...we only want to worry about one virus! If you need to check out a school Chromebook please go to the North Office to check one out. **DO NOT** bring food. We will provide you with a grab and go breakfast and lunch/dinner. **DO** bring your own water bottle. Finally, remember cell phones and hoods/hats will not be allowed in the building during school hours.
4. **Bus Schedule:** Parents can access the schedule on the district website under transportation and enter their students ID number and birthdate to find the bus schedule for that student.

5. Also in this packet:

- **COVID testing release form:** please have your parent/guardian sign this form, then return it to your period 1 teacher on your first day.
- **Can my child go to school flow chart:** this is a chart you can use to determine whether or not to attend school if you are exhibiting symptoms.

We are looking forward to seeing you on April 19th or 20th!
